Dear Ms. Shubert,

On behalf of Greater Phoenix Mensa, I would sincerely like to thank you for being a guest speaker at our Annual Regional Gathering this spring. It was a real pleasure to have an experienced and distinguished professional in the field of clairvoyance and hypnotherapy, such as yourself, come and talk with us.

Our members enjoyed your talk greatly, and I heard many positive comments and lively discussions regarding your visit throughout the weekend. Everyone was looking forward to hearing you speak, and they were definitely NOT disappointed! Your presentation on "Developing Your Psychic Abilities" was informative, inspiring, and exciting for all our members.

It was so kind of you to accomodate our limited budget, and I hope you enjoyed the time with us as much as we enjoyed having you. We would love to have you back any time. Thanks again for being a special part of our Regional Gathering!

Best wishes,

Heather Fallon
